Criticality Code Justification:
Feat
Conductor Form:
Solid single conductor
Voltage Rating:
600.0 peak operating voltage single conductor
Special Features:
Critical application: stratestic weapons systems (poseidon and trident), aircraft, trainer kc-135; support equipment, f-111 aircraft
Fsc Application Data:
Elec, elect. Properties measuring and test instruments
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Fiig:
A077a0
