**End Application:**

Otarawa class lha, sturgeon class ss (637), forrestal class cv, ticonderoga class cg(47), wasp class lhd, los angeles class ssn(688), powhwtan class t-atf 166, oliver perry class ffg, nimitz class cvn, spruance class dd(963)

**Criticality Code Justification:**

Feat

**Voltage Rating:**

500.0 dc rated working voltage single conductor

**Special Features:**

Weapons system essential

**Fsc Application Data:**

Test set electronic

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A077a0
