End Application:

6620-01-010-7337 vertical display indicator

Locking Device:

Not included

Product Name:

Case, indicator

Special Features:

Item includes bezel; glass, glass to bezel and bezel to case shall withstand pom 15 psi differential pressure without glass breakage or bond failure

Material:

Aluminum alloy, 6061 and glass

Material:

Aluminum alloy 6061 and glass

Surface Treatment:

Anodize

Surface Treatment:

Anodized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-a
