**Cross Sectional Shape:**

Round

**Cross Section Outside Diameter:**

0.040 inches

**Conductor Form:**

Stranded all conductors

**Special Features:**

Item possess identification markings on tubing stating fuel probe test adapter harness; adapter harness assembly; 3 pin housings

**Material:**

Copper core conductor all conductors

**Fsc Application Data:**

Elec, elect. Properties measuring and test instruments

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
