Product Name:

Test set conductivity operating room portable

General Description:

Wc/o portable ohmmeter w/self-contained manually cranked generator rated at 500.0 v dc open circuit, 5.0 ma short circuit 1 - 2.50 in.

Diameter electrode 2 - heavy duty test lead 3.0 ft lg min 2 - shoe tester 1 - carrying case w/handle 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
