Overall Length:

13.500 inches

Overall Height:

4.000 inches

Overall Width:

8.750 inches

Frequency Rating:

Between 50.000 hertz and 60.000 hertz

Installation Design:

Cabinet or rack

Power Source:

External

Scale Selection Method:

Switch

Circuit Attachment Method And Quantity:

2 wire lead

Operating Voltage Rating In Volts:

Between 105.0 ac and 125.0 ac

Phase:

Single

Style Designator:

Rectangular surface mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A310a0
