**Overall Length:** 

21.000 inches

**Overall Height:** 

13.000 inches

**Overall Width:** 

20.000 inches

Current Type:

Ac

Frequency Rating:

60.0 hertz

Voltage Rating:

Between 105.0 volts and 125.0 volts

**Recording Method:** 

Ink chart paper

**Recording Channel Quantity:** 

Chart Speed:

1

0.15 centimeters per minute and 0.30 centimeters per minute and 0.60 centimeters per minute and 1.50 centimeters per minute and 3.00 centimeters per minute and 6.00 centimeters per minute and 30.00 centimeters per minute and 60.00 centimeters per minute and 300.00 centimeters per minute and 60.00 centimeters per minute and 300.00 centimeters per minute and 60.00 centimeters per minute and 300.00 centimeters per minute and 60.00 centimeters per minute and 300.00 centimeters per minute and 60.00 centimeters per minute and 60
