Overall Length:

9.840 inches

Overall Height:

2.870 inches

Overall Width:

7.870 inches

Frequency Rating:

Between 50.000 hertz and 60.000 hertz

Installation Design:

Bench

Sensitivity Rating:

350.0 millivolts

Dial Scale Marking Color:

Yellow single indicator single range

Background Color:

Black single indicator single range

Power Source:

External

Operating Voltage Rating In Volts:

Between 90.0 ac and 264.0 ac

Phase:

Single

Style Designator:

D1 rectangular or square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A310a0
