Major Components:

Sin/cos generator panel; power supply; oscilloscope

End Application:

C-130 ifs/cpt

Special Features:

Osix separate dc signal outputs, each multi-functioned providing variable & fixed dc signals or variable & fixed (10) sin dc or (10) cos dc signals; function generator output; switching panel w/external input terminals

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T228-a
