**Major Components:**

Sin/cos generator panel; power supply; oscilloscope

**End Application:**

C-130 ifs/cpt

**Special Features:**

Osix separate dc signal outputs, each multi-functioned providing variable & fixed dc signals or variable & fixed (10) sin dc or (10) cos dc signals; function generator output; switching panel w/external input terminals

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T228-a
