General Description:

Precision termination, calibrating short, 3 bnc adapters, and 4 matched, low-leakage cables for both transmission and reflection measurements. 75 ohm.6db insertion loss and 6db coupled to auxiliary arm.Frequency response porm 0.5d (0.1-110mhz) .Max input power p20dbm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
