Overall Length:

8.250 inches

Overall Height:

4.500 inches

Overall Width:

6.750 inches

End Application:

6625-01-192-6991

Component Type And Quantity:

1 control

Special Features:

Four 0.125 in. Diameter mtg holes spaced on random centers; includes 5-digit readout in ghz; mfg name-control assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
