**Overall Diameter:**

2.280 inches

**End Application:**

USEO-NP-UMP-INGA

**Indicator Type:**

Dial w/pointer

**Installation Design:**

Panel

**Dial Scale Marking Color:**

White single indicator single range

**Meter Body Diameter Behind Mounting Flange:**

2.060 inches

**Background Color:**

Black single indicator single range

**Pointer Color:**

White single indicator single range

**Measurement Range:**

-60.0/+60.0 amperes single indicator single range

**Nuclear Hardness Critical Feature:**

Nonhardened

**Style Designator:**

Round flush mtg

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A310a0
