Overall Diameter:

2.280 inches

End Application:

USEO-NP-UMP-INGA

Indicator Type:

Dial w/pointer

Installation Design:

Panel

Dial Scale Marking Color:

White single indicator single range

Meter Body Diameter Behind Mounting Flange:

2.060 inches

Background Color:

Black single indicator single range

Pointer Color:

White single indicator single range

Measurement Range:

-60.0/+60.0 amperes single indicator single range

Nuclear Hardness Critical Feature:

Nonhardened

Style Designator:

Round flush mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A310a0
