End Application:

Shoehorn

Unpackaged Unit Weight:

23.000 pounds

Product Name:

Counter, electronic, digital

Special Features:

Display 8 in-line led displays with posn decimal point; altitude operating 15000 ft; 18.500 in. Lg; 16.625 in. W; 3.500 in. H; 512 mhz

Functional Description:

Digital readout counter with remote programming and digital output and digital voltmeter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T297-a
