Special Features:

Nain: test system, impedance measurement; c/o 276-2 electrochemistry system, 5206 lock-in analyzer w/ 94, 95 & 98, ce0065 apple 11e computer, ce0044 gpib interface card, ce0041 disk drive/controller, ce0040 disk drive, rd0016 video monitor, rd0026 digital printer, rd0027 printer interface kit & 368 ac impedance software system; executes freq scans over range of 0.0001 hz to 20 khz

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T228-a
