Overall Length:

4.593 inches

Overall Height:

3.900 inches

Overall Thickness:

0.124 inches

End Application:

Fb 111 test station ais

Supplementary Features:

Transmissivi type 31 porm 3 pct; protective finish antireflection coating

Fsc Application Data:

Scaler network analyzer, p/n 2184d12g01

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T205-a
