**End Application:**

Nsn 4920-01-088-0982 radio frequency noise analyzer, f16 aircraft age

**Component Type And Quantity:**

4 connector and 2 cover and 1 housing and 1 printed wiring board

**Special Features:**

Manufacturers name: reference oscillator

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A51110
