End Application:

Kc-135r aircraft main engine control

Special Features:

C/o power supply 1; connector 2; meter 1

Functional Description:

Used for measuring torque motor insulation resistance

Reference Data And Literature:

To 6j3-4-113-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T228-c
