Circuit Current For Which Designed:

Ac or dc

Overall Length:

23.750 inches

Overall Height:

8.750 inches

Overall Width:

17.000 inches

Indicator Type:

Digital display

Installation Design:

Panel

Power Source:

Internal

Display Type:

Light emitting diode

Display Digit Quantity:

10

Interface Compatibility:

ieee-488

Style Designator:

D1 rectangular or square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A310a0
