Overall Length:
49.600 inches
Overall Height:
0.750 inches
Overall Width:
0.750 inches
End Application:
6625-01-069-4223 test station, elect. Equip.
Component Type And Quantity:
1 frame and 7 nut
Special Features:
Fabricated using extruded aluminum alloy square tubing
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A511I0
