Overall Length:

17.500 inches

Overall Height:

0.750 inches

Overall Width:

0.750 inches

End Application:

6625-01-069-4223 test station, elect. Equip.

Component Type And Quantity:

1 frame and 2 nut

Special Features:

Fabricated using extruded aluminum alloy square tubing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51110
