**Overall Length:**

49.600 inches

**Overall Height:**

0.750 inches

**Overall Width:**

0.750 inches

**End Application:**

6625-01-069-4223 test station, elect. Equip.

**Component Type And Quantity:**

1 frame and 16 nut

**Special Features:**

Fabricated using extruded aluminum alloy square tubing

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A51110
