Overall Length:

22.000 inches

Overall Height:

5.218 inches

Overall Width:

17.000 inches

End Application:

A10 test station

Basic Shape Style:

Rectangular or square

Installation Design:

Rack

External Ac Operating Voltage In Volts:

115.0 single voltage

Supplementary Features:

Line cord 8ft; rack mtg slides; set of proms; 2 amp fuse; nha 2888853

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A32200
