**Overall Length:**

22.000 inches

**Overall Height:**

5.218 inches

**Overall Width:**

17.000 inches

**End Application:**

A10 test station

**Basic Shape Style:**

Rectangular or square

**Installation Design:**

Rack

**External Ac Operating Voltage In Volts:**

115.0 single voltage

**Supplementary Features:**

Line cord 8ft; rack mtg slides; set of proms; 2 amp fuse; nha 2888853

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A32200
