Special Features:

Ucase finish, nickel plate; 4.500 in. Lg; 3.000 in. W; 1.020 in. H; impedance 50 ohms; frequency range 20 to 2000 mhz; temperature range -55 degrees to +85 deg; isolation 20 db; input power 5 watts; internal load dissipation 0.5 watts

Specification Data:

00752-434454-1 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A512n0
