End Application:

Hp8756a scalar network analyzer test equipment for the ef/fb/fb-111 avionics intermediate electronic warfare test station (ts) number an/gsm-303

Component Quantity:

8

Component Document Origin:

Industrial

Document Source:

04804

Document Type:

Support equipment requirement sheet

Component Document Page Number:

1 and 2

Supply Items And Quantities:

6625-00-850-2241 extender card, electronic 1; 5120-00-084-4299 tool, extractor 1; 1400-0734 16 pin i.C. Test clip 1; 1400-0979 20 pin i.C. Test clip 1; 08756-60015 circuit board extender 1 and includes 2 p5v test points and 2 digital ground test points

Document Identification:

Serd 3035

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
