Width:

Between 7.940 inches and 8.060 inches

Length:

Between 13.440 inches and 13.560 inches

End Application:

Ts04144/p

Locking Device:

Not included

Handle Quantity:

1

Handle Location:

Cover center

Special Features:

Storage tray in the cover

Height:

14.000 inches

Material:

Aluminum alloy, 6061

Material:

Aluminum alloy 6061

Surface Treatment:

Enamel

Supplementary Features:

Four bumpers on bottom and four on back

Surface Treatment:

Enamel

Specification Data:

53711-6224283 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-a
