

View Online at <https://aerobasegroup.com/nsn/6625-01-296-6382>

Frequency Range Rating:

+50.000/+400.000 hertz

Special Features:

Modular, solid-state, plug-in system; includes programmable, synthesized signal generator mainframe, rf section plug-in, and modulation section

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T320-j
