Overall Length:

11.000 inches

Overall Height:

6.300 inches

Overall Width:

5.100 inches

Indicator Type:

Dial w/pointer

Installation Design:

Panel

Accuracy In Percent:

-1.0 to 1.0 at full scale single indicator single range

Power Source:

Internal

Measurement Range:

+0.1 to 50000.0 megahertz single indicator single range

Special Features:

Delete power sensor cable

Style Designator:

Rectangular surface mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A310a0
