End Application:

An/alq-172 countermeasures

Product Name:

System control q-bus 1ms

Special Features:

C/o q bus coupling; expansion memory 1 mb; winchester disk drive; tape drive controller mod; gpib controller card; ser 4-pt interface mod; parallel interface mod; ribbon cable assembly (5); cable assembly gpib; cable coupling; adapter serial port; modified shock; retainer circuit card; interconnect diag explosion finished; panel front q-system; a1 disk drive; a1 tape drive; cable power; q-bus dummy card

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A31700
