**Overall Length:**

2.250 inches

**Overall Height:**

0.750 inches

**Overall Width:**

2.250 inches

**End Application:**

6625-01-255-1620 test set, elect. Systems

**Component Type And Quantity:**

2 connector and 2 post and 1 printed wiring board

**Special Features:**

Component type and quantity: clevis, rod end 2; mounting method and configuration: two 0.138 inch diameter holes on 1.875 inch center

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511I0
