**Furnished Items:**

Standards include open and short circuits, fixed and sliding terminations, precision 7mm to 3.5 mm adapters, connector gages are supplied for verifying tolerances of 3.5 mm interface

**End Application:**

6625-01-253-2323

**End Item Source:**

28480

**End Item Name:**

Analyzer network

**Functional Description:**

Calibrates hp8510 network analyzer system for measurement of devices with 3.5 mm connectors

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23800
