**Overall Length:**

5.219 inches

**Overall Height:**

3.250 inches

**Overall Width:**

2.500 inches

**End Application:**

Used w/rf power meter p/n 4421

**Special Features:**

Afrequency range rating is 25.0 to 1000.0megahertz; battery case is not provided; unpackaged unit weight is 1.690 pounds; part name assigned by controlling agency is radio frequency power sensor

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A515c0
