Overall Length:

5.219 inches

Overall Height:

3.250 inches

Overall Width:

2.500 inches

End Application:

Used w/rf power meter p/n 4421

Special Features:

Afrequency range rating is 25.0 to 1000.0megahertz; battery case is not provided; unpackaged unit weight is 1.690 pounds; part name assigned by controlling agency is radio frequency power sensor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A515c0
