End Application:

Network analyzers, p/n 8510, 8719, 8720 series

Component Document Origin:

Industrial

Document Source:

28480

Document Type:

Catalog sheet

Component Document Page Number:

252

Special Features:

Connector type n; freq range 0.045-18 ghz; contains open and short circuits (m and f) and broadband fixed terminations in series adapters and 7mm-to-type n (m and f) adapters

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
