Overall Length:

8.500 inches

Overall Height:

1.440 inches

Overall Width:

4.940 inches

End Application:

Fs2000-2 opt 601

Component Type And Quantity:

6 connector and 2 screw

Special Features:

Component type and quantity: module, feed through terminal 10; mounting method and configuration: connector, screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
