Overall Length:

2.375 inches

Overall Height:

1.031 inches

Overall Width:

1.875 inches

End Application:

6625-01-225-0087 meter, impedance

Test Item Connection Method:

Binding post and integral socket

Special Features:

One probe socket and three binding posts

Material:

Copper alloy body

Surface Treatment:

Nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537k0
