**Overall Length:**

2.375 inches

**Overall Height:**

1.031 inches

**Overall Width:**

1.875 inches

**End Application:**

6625-01-225-0087 meter, impedance

**Test Item Connection Method:**

Binding post and integral socket

**Special Features:**

One probe socket and three binding posts

**Material:**

Copper alloy body

**Surface Treatment:**

Nickel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A537k0
