Overall Length:

12.000 inches

Overall Height:

6.100 inches

Overall Width:

10.000 inches

End Application:

Common winch an/sqq-32

Mounting Configuration:

Two mtg pads w/two ea 0.31 in. Diameter mtg holes on 12.75 by 8 in. Mtg ctr

Meter Quantity:

2

Individual Meter Quantity:

1 and 1

Individual Meter Controlling Agency:

Western gear machinery co

Individual Meter Name:

Tension meter; scope meter

Individual Meter Current Type:

Dc

Err Default:

Err default

Special Features:

Dimmer knob

Supplementary Features:

Orange yellow danger zone from 239.5 degrees to 250 degrees mark on scope meter and from 200 degrees to 250 degrees mark on tension meter

Specification Data:

16603-d320731 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
