Overall Length:

2.300 inches

Overall Height:

0.675 inches

Overall Width:

1.100 inches

Component Type And Quantity:

2 diode and 2 lamp and 2 resistor and 4 socket and 19 terminal

Special Features:

Component type and quantity: readout 2; mounting method and configuration: two 0.138 inch diameter holes irregularly spaced

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511I0
