## NSN 6625-01-344-5750

Electrical-electronic Equipment Test Station - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6625-01-344-5750

Unit Package Quantity:
17
Component Document Origin:
Industrial
Document Source:
1dn14
Document Type:
Support equipment requirement sheet
Model Number:
10-5333
Usage Location:
Communications zone
Special Features:
Used to test the data link transceiver for the gps
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23800
