Unit Package Quantity:

17

Component Document Origin:

Industrial

Document Source:

1dn14

Document Type:

Support equipment requirement sheet

Model Number:

10-5333

Usage Location:

Communications zone

Special Features:

Used to test the data link transceiver for the gps

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
