Occasional I amounths
Overall Length:
8.740 inches
Overall Width:
3.141 inches
End Application:
6625-01-242-2128 test set, electronic systems
Mounting Configuration:
Two 0.360 to 0.400 in. In diameter holes
Material:
Aluminum alloy
Material:
Aluminum alloy
Special Test Features:
Interpret this drawing iaw dod-std-100c
Fsc Application Data:
Fsc Application Data: Test set, elect. Equip.
