Circuit Current For Which Designed:

Dc

End Application:

Nha is power supply, pn a13803-01

Indicator Type:

Digital display

Installation Design:

Panel

Measurement Range:

+0.0 to 19.9 volts, dc single indicator single range

Nuclear Hardness Critical Feature:

Nonhardened

Relationship To Similar Equipment:

Similar to loral a13807-01

Style Designator:

Rectangular flush mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A310a0
