**Circuit Current For Which Designed:**

Dc

**End Application:**

Nha is power supply, pn a13803-01

**Indicator Type:**

Digital display

**Installation Design:**

Panel

**Measurement Range:**

+0.0 to 19.9 volts, dc single indicator single range

**Nuclear Hardness Critical Feature:**

Nonhardened

**Relationship To Similar Equipment:**

Similar to loral a13807-01

**Style Designator:**

Rectangular flush mtg

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A310a0
