| Indicator Type:                       |

## Cathode ray tube

## Unpackaged Unit Weight:

48.000 pounds

#### Phase:

Single

#### **Functional Description:**

Network analyzer

#### Supplementary Features:

Freq range 300khz to 3 ghz

#### Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No

### Fiig:

T263-c
