Overall Length:

6.700 inches

Overall Height:

1.700 inches

Overall Width:

3.700 inches

Dc Voltage Rating:

28.0 volts

End Application:

Guided miss simulator test set

Test Item Connection Method:

Connector

Special Features:

Material: aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A537k0
