**Mounting Type:**

Portable case

**Overall Length:**

72.220 inches

**Overall Height:**

61.120 inches

**Overall Width:**

35.120 inches

**End Application:**

Milstar nha g405566

**Voltage Rating:**

115.0 volts

**Supplementary Features:**

Caster mounted containing high voltage power supply, voltage inverter, filter assembly, load measurement assembly, cables, etc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T320-j
