Microcircuit Programmer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6625-01-408-4870

Criticality Code Justification:
Zzzy
Product Name:
Programmer, microcircuit
Reference Number Differentiating Characteristics:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
